

## **Comprehensive Evaluation Framework for Summer Training & Internship**

### **Batch 2027**

**Objective:** To provide a holistic assessment structure for JIET II Year students undergoing Summer Training and Internship in Batch 2027, emphasizing internal and end-term evaluations.

#### **Marks Distribution & Evaluation Policy:**

##### **1. Internal Assessment during Internship/Training (75 Marks)**

**a) Mid Assessment (25 Marks):** Initial evaluation to gauge the understanding and preparation of the student.

**b) Continuous Evaluation by Faculty Tutor (50 Marks):** Regular assessments based on daily and weekly reports, emphasizing sustained engagement and progress.

##### **2. Log Book Evaluation:**

- Regularity in maintenance.
- Adequacy & quality of recorded information.
- Evaluation of drawings, sketches, and recorded data.
- Assessment of thought process and recording techniques.

##### **3. Tutor-Industry Interaction:**

- Surprise visits by faculty tutors to the industry.
- Regular contact with industry supervisors via email/phone to monitor progress.
- Analysis of attendance record, log book, and tutor reports along with the Internship/Training Report and Presentations.

##### **4. End-term Assessment post Internship/Training (50 Marks):**

**1) Training Report (25 Marks):** All Students have to submit duly approved by the respective faculty tutor within 21 days of completion of the Internship/Training. The Internship/Training report will be evaluated based on the following criteria:

- a) Originality
- b) Adequate and purposeful write-up
- c) Organization, format, drawings, sketches, style, language etc.
- d) Variety and relevance of learning experience.
- e) Practical applications, relationship with basic theory and concepts

**2) Training Presentation (25 Marks):** PowerPoint Presentation (Minimum 30 minutes):

- a. Evaluation by a committee constituted by the concerned department.
- b. Criteria include quality of content, presentation, and query handling, reflecting the depth of learning in terms of knowledge and skills.

This framework ensures a thorough and balanced assessment of students' performance during their Summer Training and Internship, promoting continuous engagement, practical application, and in-depth learning experiences.
